Hi Callie,

Here are the R6 RTOC talking points—and Scott did include the NPG talkers as newly added. We should delete the McGirt references and add in something for R8, based on their interest.

Thanks,  
Felicia

Hi Scott,

I am tentatively adding in talking points on the National Program Guidances process since the OCFO plan is to get started in July and it would be very timely for this group. These points add about one minute of time. Both Jessica Snyder (OCFO lead) and Jeff Besougloff will be on the line to answer any questions.

If you are comfortable with these, then they are there for your use. Sorry for the last minute addition, but the timing is really good for the RTOC, if you are comfortable. I do not expect there to be any issues since this RTOC in particular likes to be “in the know” on upcoming actions and appreciates the head’s up.

Thanks,  
Felicia
